Brian McNeil, Executive Secretary  
Arizona Corporation Commission  
1200 West Washington Street  
Phoenix, AZ 85007-2996

**RE: Arizona Docket Nos. T-03346A-04-0911 & T-03811A-04-0911, Decision No. 67827**

Dear Mr. McNeil:

In Decision No. 67827 ("Decision"), the Arizona Corporation Commission ("Commission") approved the proposed corporate reorganization petitioned for by SBC Telecom, Inc. and SBC Long Distance in the above referenced dockets, subject to several conditions. The purpose of this communication is to inform the Commission that all conditions set forth in the Decision have now been met. In particular, this communication is intended to comply with Paragraphs 25d and e of the Decision and is supported by my affidavit, attached.

Paragraph 25d provides that the transfer of SBC Telecom's assets to SBC Long Distance, LLC is conditioned upon SBC Long Distance, LLC's docketing proof that SBC Telecom's customers received notification "that they may choose another provider, within 90 days of receiving notice, to discontinue service with SBC Telecom without prejudice or regard to contractual obligation." Similarly, Paragraph 25e provides that the transfer of assets is conditioned upon SBC Telecom's docketing proof and providing written confirmation to the Staff that all funds held as customer prepayments have been refunded or credited to customers who want to discontinue service with SBC Telecom.

On February 24, 2005, SBC Telecom sent a letter to its customers, a true and correct copy of which is attached as Exhibit A, advising its customers of the proposed asset transfer and of the customer's right to discontinue service with SBC Telecom and to "choose another telephone provider without penalty as long as you do so within 90 days following the consolidation." Because Staff raised an issue with respect to the adequacy of the notice, SBC Telecom sent its customers a second notice dated May 10, 2005. A true and correct copy of the May 10, 2005 letter is attached as Exhibit B. The May 10<sup>th</sup> notice tracks the language of Paragraph 25d precisely, advising the customer that they:

- “have access to alternative utilities that provide local exchange and long distance services”;
- “may elect within 90 days of receipt of this notice to discontinue service without prejudice or regard to contractual obligation”; and
- “advances, prepayments or other funds owed will be credited” to the customer’s account or refunded via check as to SBC Telecom customers who discontinue service.

For the customer’s convenience, the May 10<sup>th</sup> notice attached the list of alternative providers published on the Arizona Commission’s website, located under the section, *Lists of Regulated Phone Companies*.

During the pertinent timeframe, approximately 80 customers discontinued service. In each case, any applicable prepayment was credited to the customer’s bill. Hence, SBC Telecom has complied with the requirement that it refund or credit to the customers who want to discontinue service all funds held as prepayments.

Compliance with Paragraphs 25d and 25e having been achieved, SBC Long Distance, LLC and SBC Telecom, Inc. have now complied with all of the conditions identified in Decision No. 66891.

Sincerely,

Carol Paulsen  
Director-Regulatory  
SBC Telecom, Inc.  
SBC Long Distance, LLC

PHOENIX AZ 85032

Dear Valued Customer:

In our continuing efforts to streamline operations, we are pleased to announce that SBC Telecom, Inc. ("Telecom") – your current local phone service provider – will combine business operations with its affiliate SBC Long Distance, LLC.

As a result of this internal change, the SBC Long Distance name will replace SBC Telecom on your billing documentation on or about May 1, 2005. This consolidation of SBC affiliate companies is subject to obtaining all required regulatory approvals, and the filing of all appropriate documents with state agencies.

The transition of your service to the new SBC Long Distance name will have no impact on your service whatsoever.

- You will not incur charges related to the transfer of your services to SBC Long Distance.
- You will continue to receive quality local services with the same rates, features, terms and conditions as you currently enjoy from Telecom. At this time, SBC Long Distance does not anticipate making any changes to your current rates, features, terms and conditions; however, should it deem it necessary to do so in the future, SBC Long Distance will continue its practice of notifying subscribers by putting a message in your bill in advance of the change.
- This change will happen automatically with no action required on your part, and will be virtually seamless to you.

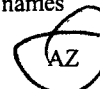

Unless you choose another service provider, your account will automatically move to SBC Long Distance. You may choose another telephone service provider without penalty as long as you do so within 90 days following the consolidation on or about April 30, 2005 (per Arizona statute A.A.C. R14-2-1107). After 90 days, changes to your local telephone service provider will be subject to any termination restrictions in your service arrangement. SBC Long Distance will be responsible for handling any complaints filed or otherwise raised by you prior to or during the transfer to SBC Long Distance.

We in the SBC family appreciate your business and look forward to continuing to serve you. If you have questions, please contact SBC Long Distance at 1-877-430-7228.

Thank you for choosing the SBC family of companies.

Sincerely,

Nancy Pardo  
Director – Network Services

PHOENIX AZ 85014

Dear Valued Customer:

In our continuing efforts to streamline operations, we are pleased to announce that SBC Telecom, Inc. ("Telecom") – your current local phone service provider – will combine business operations with its affiliate SBC Long Distance, LLC ("SBC Long Distance").

As a result of this internal change, Telecom will cancel its Certificate of Convenience and Necessity (CC&N) which was filed on June 13, 2000 in Decision No. 62645 and discontinue service in its own name to customers in Arizona because it is transferring its assets, liabilities, and all operations to SBC Long Distance. SBC Long Distance will be the single SBC affiliate to provide resold and facilities-based long distance and local exchange telecommunications services in Arizona. This consolidation of SBC affiliate companies is subject to obtaining all required regulatory approvals, and the filing of all appropriate documents with state agencies.

The transition of your service to SBC Long Distance will have no impact on your service whatsoever.

- You will not incur charges related to the transfer of your services to SBC Long Distance.
- You will continue to receive quality local services with the same rates, features, terms and conditions as you currently enjoy from Telecom.
- This change will happen automatically with no action required on your part, and will be virtually seamless to you.
- A.A.C. R14-2-1107 provides that you may elect within 90 days of receipt of this notice to discontinue service without prejudice or regard to contractual obligation and have access to alternative utilities that provide local exchange and long distance services.
- For Telecom customers that choose to discontinue services, your advances, prepayments or other funds owed will be credited to your account or will be refunded via a check.

For your convenience, we have attached a list of alternative service providers as published on the Arizona Web site, <http://www.cc.state.az.us/utility/telecom/industry.htm> and located under the section entitled *Lists of Regulated Phone Companies*.

We in the SBC family appreciate your business and look forward to continuing to serve you. If you have questions, please contact SBC Long Distance at 1-877-430-7228.

Thank you for choosing the SBC family of companies.

Sincerely,

Carol Paulsen
